## **The pros and cons of industrial tribunals**

Liverpool Hope UCU are committed to fighting the University's proposed redundancies and are confident in our collective capacity to prevent them.

At the same time, we want staff to be aware of their options and rights in the event of redundancy. To that end we have arranged a Q and A with Dr David Harvie, one of three academics who won an industrial tribunal for unfair dismissal against the University of Leicester in 2024.
